SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.56 and 1.97, the material listed on the attached forms PTO-1449 is being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application. This Supplemental Information Disclosure Statement is being filed after the mailing of a first Office Action but before the mailing date of any of a final action and is submitted in compliance with the provisions of 37 C.F.R. §1.97(c). The Commissioner is authorized to charge the required fee of \$180.00 pursuant to 37 C.F.R. §1.97(c), as specified in 37 C.F.R. § 1.17(p), and any additional fees due or to credit any overpayment to Deposit Account No. 503570. **A duplicate copy of this sheet is enclosed.**

The material included with this Supplemental Information Disclosure Statement has been brought to Applicant's attention through pending patent litigation involving a related patent and/or a pending opposition associated with a European application filed on

10/20/2005 HLE333 00000134 503570 10738471

behalf of Applicant which is directed to related subject matter. The filing of this Supplemental Information Disclosure Statement shall not be construed to be a representation that a search has been conducted, nor shall it be construed as an admission that the information cited in the statement is, or is considered to be, statutory prior art to the subject matter of the present application and/or material to patentability as defined in 37 C.F.R. § 1.56(b).

It is respectfully requested that the Examiner indicate consideration of the cited material by returning a copy of the attached forms PTO-1449 with initials or other appropriate marks.

Respectfully submitted,

Date: October 13, 2005
